“ No road is long with good company ”

2 March

Met the group at the airport and we departed at 15:00 driving to Waterberg and arriving just after 19:00.

Dinner is at 20:00 and we decided not to do a checklist for today as we had a travelling day. We did see Chacma Baboons, Banded Mongoose, Damara Dik Dik, Greater Kudu, Gemsbok, Warthog and several bird species. We saw a spiral of vultures which included several White backed, two Cape and at least one Lapped faced Vulture as well as our first Marabou Storks. Other raptors seen were Tawny Eagle, Black chested snake Eagle, Common Buzzard, Pale chanting Goshawk, and Yellow billed Kites.

320km's. Eurasian Bee eaters and Eurasian Rollers were seen along the roadside.

3 March

We meet pre breakfast at 06:30 and search for Hartlaub's Spurfowl and Damara Rockrunner and have great views of both species. We walk to breakfast and see Chacma Baboons, Damara Dik Dik and Banded Mongoose. From the veranda at breakfast we see Pearl spotted Owlet, Rufus crowned Roller, Burnt necked Eremomela, Marico Sunbirds. We depart our rooms for our journey to Etosha National Park at 09:00. En route we saw our first Crimson breasted Shrikes, Common Scimitarbill, Black faced Waxbill, Bearded Woodpecker, Lilac breasted Roller, Eurasian Roller, Rufus crowned Roller, Pale Chanting Goshawk, Common Buzzard, Southern Grey headed Sparrow, Lesser grey Shrike, Red backed Shrike. We visited the water works in Otjiwarongo where we saw African Swamphen, Egyptian Geese, South african Shelduck, Red billed Teal, White faced Duck, Cape Shoveler, Cape Teal, Ruff, Wood Sandpiper, Common Sandpiper, Little Stint, Cattle Egrets, Grey Heron, Three banded Plover, Blacksmith Lapwing, African Jacana, Shaft tailed Wydah. We enter Etosha National Park at 15:00 and see our first Springbok, Black faced Impala, Burchell's Zebra as well as Greater Kudu, Southern Giraffe, Steenbok, Gemsbok, Red Hartebeest, Blue Wildebeest and Black backed Jackal. We stop off for a leg stretch at Okaukuejo waterhole and see lots of Zebra as well as Verreaux's Eagle Owl.

Other birds seen on the road to Halali included : Rufus eared Warbler, Spike heeled Lark, Sabota Lark, African Pipit, Northern black Korhaan, Secretary birds, Kori bustard, African harrier Hawk, Lanner Falcon, Southern grey headed Sparrow. We arrive at Halali camp just after 19:00 during a great African thundershower. We also saw a Horned adder as well as Marsh Terrapin.

340 km's.

4 March

We meet at 06:40 and go on an early morning game drive at sunrise and return for breakfast at 08:00. Pre breakfast we have wonderful views of two Barn owls roosting in a Mopane tree together and we see a Little Sparrowhawk. We do a game drive at 09:00 and return to Halali camp for lunch. We see Kori Bustard, two separate sightings of Blue Cranes, one pair with a young chick and then just

a pair. Red necked Falcon, Pale chanting Goshawk, Yellow billed Kites, Shikra, Lapped faced Vulture is seen as well as Violet eared Waxbill, Black faced Waxbill, Grey Hornbill, Red billed Hornbill, Red capped Lark Sabota Lark, Chat Flycatcher, Eurasian Bee eater, Lilac breasted, Rufus crowned and Eurasian rollers, Sabota Lark, Grey backed sparrow Lark, Larklike Bunting, Marico Flycather, Dusky Sunbird, Desert Cisticola, Fantailed warbler.

We meet at 16:00 for our next game drive and see Violet Woodhoopoe and Red Billed Hornbill as we leave camp. Damara Hornbill, Southern yellow billed, Grey Hornbills, Lanner Falcon, Tawny Eagle, Secretary birds, White crested Helmet shrikes, African Jacana, Wood Sandpiper, Red billed Teal, Egyptian Geese were seen together with Long billed Crombec, Yellow bellied Eremomela, Marico Flycatcher, Sabota Lark, Red capped Lark. We also had excellent views of two separate Black Rhino, Southern Giraffe, Greater Kudu, Blue Wildebeest, Steenbok, Springbok, Red Hartebeest and returned to camp at 19:00. We had dinner shortly after our arrival but had a quick visit to the waterhole where we added House Martin, Alpine Swift and Brown throated Martin to our list.

140 km's.

5 March

Breakfast at 07:00 and we depart on an all day game drive towards the East of the park at 08:00. A long day's game drive delivered some new species of birds as well as great views of most of the mammals. We saw a breeding herd of elephants, Black Rhino, Greater Kudu, Springbok, Steenbok, Blue Wildebeest, Red Hartebeest, Black backed Jackals, Southern Giraffe and Burchell's Zebra. Birds seen included Chestnut Weavers, Western Red footed Falcons, Lanner Falcon, Yellow billed Kites, Bataleur, Tawny Eagle, Secretary bird, Lapped faced Vulture, Kittlitz's Plover, Three banded Plover, Crowned Lapwing, Blacksmith Lapwing, Common and Wood Sandpipers, Ruff, Red billed Teal, South African Shellduck, Egyptian Geese, Cape Teal, Cape Shoveller, Dabchick, Greater and Lesser Flamingo's, Black winged Stilt, Pied Avocet, Red knobbed Koot, Common Moorhen, Little Stint, Southern Grey headed Sparrow, Violet eared Waxbill, Wattled, Violet backed and Cape glossy Starlings, Yellow billed, Grey, Damara and Red billed Hornbills, Dusky, Red capped, Sabota and Rufus naped Larks, Marico Flycather, Green winged Pytilia, Marico Sunbird, Dusky Sunbird, African Pipit, Lesser grey Shrike, Southern white crowned Shrike, Red backed Shrike, Red headed Finch.

We returned to Halali camp just after 17:00 and met at 18:30 to do our list followed by dinner and another visit to the waterhole for some delivered more elephants, Black Rhino as well as 3 Hyenas. A Marsh Owl was also seen.

220 km's.

6 March
